

The
Arcane Tome
of
Spooky Rituals

Prof. Szandor Miloševik

Bthnkornah ahair'luh (food ritual)

This ritual allows the caster to summon a delicious ham sandwich, on rye bread.

Requires: Milk of magnesia, emerald dust

Words: Y' ahnythor lllln'gha

Gn'thor ahair'luh (water ritual)

This ritual can either be used to a) summon water or b) remove water or c) turn water into something else or d) turn something else into water.

Requires: Aquamarine, plaster of Paris

Words: Gn'thor ph'nglui

N'gha ahair'luh (death ritual)

This ritual allows the caster to summon the spirit of the deceased back to our world.

Requires: Saltpeter, bed, dead man's clothes, vessel

A very dangerous and unpredictable ritual!

Side effects include storms, water turning to blood and plants dying.

USE WITH CAUTION!

Words: Nogeaphaii l' shuggog

Mgulin ahair'luh (banish ritual)

If one encounters a spirit brought into our world through a death ritual, the best response is to perform a banish ritual as soon as possible.

Requires: Animal corpse, the presence of an innocent soul.

With the above to hand, the caster must speak the below words to complete the ritual. HOWEVER, once a person reads ^{or hears} the words they will immediately forget them, and will no longer be able to see them in any form, so use caution with this flap:

Words:
