"The Hollow Stars", part II

Time

1900

At lake w/ townsfolk, full of blood. Taylor pushes emergency motion to condemn. Lane suggests researching, Rory + Lane to go library. Lorelei does something else.

2000

Rory/Lane discover ritual to resurrect soul, requiring with side effects of bloody lakes etc. Ritual requires saltpeter, a 'vessel' in dead clothes + a bed. Can be banished w/ animal corpse, presence of innocence and some magic words (forgotten once spoken/read). Words solutions → Lane reads out in Korean, bring book ~~to~~ (slight of hand) or record on walkman

2100

Blood red sky. First fire towers cut off all escape. PCs have to find ritual site, beds for banishing (Sookie's baby, Cinnamon's corpse)

2200

Vortex appears above Doosey's as hint to PCs. 2nd fire level. Have to find way into building (climb, drive auto, locksmith, spot hidden (key under mat))

2300

Ritual taking place. Kirk in bed, explodes and is replaced by Hitler. Taylor gives speech (ref. election loss). PCs must fight/banish Hitler. Taylor knocked out

0000

Emergency town meeting @ D'fly, trial of Taylor Doosey. Players decide fate, then year ends and party happens
