

# LUSU President

## Ben Goldsworthy

Ben Goldsworthy was unable to attend any of the interview times offered by SCAN. In lieu of an interview, Goldsworthy was invited to provide a short statement, which is printed below:

"It was either this or get my eyebrow shaved.

Simple and down-to-Earth policies:

- support Durham NUS delegate Tom Harwood's campaign to "destroy ISIS using NUS boycotts"
- open another, bigger Sugarhouse somewhere for all the third years who are bored of the first one
- I reckon me and Malia would re-

ally get on

- I will personally buy a Freddo for the first person to ask me for one if I win

- Trigger the Golden Age of LUSU

Shoutout to my campaign team: Jamie Yates, George Walmsley, Liam Marshall and Mish. Please don't vote for me, thankyou and goodnight."
